Are you applying on behalf of a group or organisation?

Please tell us about your idea. (And don't forget to tell us a little about YOU, too! What skills do you have which will help you in delivering this project?)

How will people in the Leigh Neighbours area benefit from your idea?

Is there anything that might go wrong with your project? What would you do to avoid any risks and how would you deal with any problems?

Who is working on your idea with you? eg neighbours, council, clubs, etc

Please tell us what the total cost of delivering your idea is and how much you're asking from us. (up to £500 maximum) Include a breakdown of your budget with some idea of costings. Please provide some evidence of costings, such as quotes from suppliers, etc.

When do you want to start your project and how long will it take to deliver?

Who can we fund?

We can support: individuals who live in the project area, voluntary and community organisations, community councils, social enterprises and private companies (provided our grants do not contribute to the profits they distribute). If you represent a funded service – a school, council service or department, the Police, the library service or similar – we will not provide any funding that simply replaces statutory funding to meet a statutory obligation. Any funding we provide should be additional to public funding. We do not fund projects retrospectively.

By submitting this form you are agreeing to the following:

- All funds that you receive will be used exclusively for the idea or project that you've proposed.
- All invoices and receipts to be submitted to the Finance Officer sue@lnpb.org.uk within 30 days of the end of the project
- Any funding not used on the idea or project must be returned to the Leigh Neighbours Partnership Board no later than 30 days after the completion of the idea or project.
- If the idea or project is not started within 90 days of receiving the funding via BACS to the organisation account, then all funds must be returned to Leigh Neighbours.
- You or your organisation have suitable and appropriate insurance cover for your project and indemnify the Leigh Neighbours Project and the Leigh Neighbours Partnership Board of any liability.
- Photographs of you and your idea can be used in Leigh Neighbours publicity.
- You report back to us at the end of your project on how it went.
- If your application is unsuccessful, Leigh Neighbours will not be liable for any costs incurred by the applicant.
