Place a tick in the box your idea or project meets

Tell us about your idea! Does it improve a community facility or local housing? Does it encourage people to take part in leisure activities or acquire new skills? Or does it build local community spirit, make the area safer or healthier, or create an environment that's cleaner and greener? Please describe your idea and tell us who will benefit from it and how. What kind of help do you need to make it happen? And don't forget to tell us a little about YOU, too!
