

Build your future career

**Become an
Apprentice
Landscape**

£Minimum Wage

Working hours: 8am to 4pm

We are looking to appoint an Apprentice Landscaper for a 15 month contract to work within our Landscape Build Team.

You will be based in Wigan, whilst working towards an apprenticeship in Amenity Horticulture (specialising in landscaping) with Myerscough College including completing a level 2 qualification and undertaking training in Health and Safety and First Aid.

This post is funded by Leigh Neighbours Partnership Board, and as such the successful candidate should be from the Leigh Neighbours area. Following interviews there will be a selection process whereby a number of candidates will be invited to work alongside the Build Team to demonstrate skills and ability. The successful applicant will need to have a real desire to progress a career in horticulture or landscaping and an ability to work as part of our build team in delivering a wide variety of landscape construction and maintenance projects whilst working towards the level 2 qualification.

For further information and an informal discussion please contact Kerry Andrews on 01942 821444. Alternatively full details of the post and an application pack are available on: www.groundwork.org.uk/clm or by contacting Catherine Birch on 01942 821444 or catherine.birch@groundwork.org.uk.

Closing date for applications 29th May 2015.
